- to identify certain historical actions from the past of the Sălaj area present in the images
- to answer correctly the educator's questions regarding the content of the text - what is a history museum, what is the role of the museum exhibits, what helps us to know the historical past of the local people, etc .;
- to solve correctly the worksheet with the theme of the clothing of the people of the past who lived in the Salaj area

Resources:

- Methods and procedures: conversation, explanation, demonstration, exercise, problematization
- Teaching aids: images from the Zalău County Museum of History and Art, smart board, puzzle, worksheets, colored pencils.
- Forms of organization: in groups, in teams, individually, frontally

Lesson Outline:**Lesson Introduction:**

Arrange the furniture, prepare the teaching material necessary for the activity, present it to the children, the didactic materials describe the historical course of the life of the people who lived and lived in the Sălaj area, as well as the crafts they had based on the images presented by the museographer.

Main Lesson: Image reading will be carefully presented by: modeling the voice, changing the rhythm of speech during the presentation, logical pauses, accentuating and decreasing the intensity of the voice, mimicking, with the role of introducing children to an atmosphere reminiscent of times past. The children answer the questions asked about reading, there will be discussions based on the visualized images, there will be a puzzle and a worksheet with the theme of the clothing of the people of the past who lived in the Salaj area today.

Plenary: The children show enthusiasm in carrying out the proposed activities, constituting an added value the presence of the museography specialist who launches the invitation to physically visit the Zalău County Museum of History and Art.
